- VI. NEW BUSINESS: Dr. Barner called the committee together to share her administrative decision to make May 15 a minimum day instead of May 22. There was a period of discussion concerned with the impact of the minimum versus a full day on the students, as well as on the impact on teachers' message to the district. Mr. Mansur opinioned that the majority of teachers wish to go out on a full day strike to send a strong message to the district.

Dr. Barner will send out an e-mail to all teachers to the effect that there was no vote involved with this decision. The e-mail will clarify that the decision was made solely by Dr. Barner.

Mr. Johnston informed the committee that the Cadet Corps would like to do a Memorial Day Ceremony. He would like to conduct the ceremony on June 3, during periods 6, 2, and 3. The committee granted the decision to Mr. Johnston.

Dr. Barner reported that Mr. Jason Hayes would like an evening where students can show their student generated films to their parents. Dr. Barner will supervise the event on June 4. The committee voted to approve the event.
